NEXT STEPS

Next Steps - Lansdowne Parks Master Plan Process

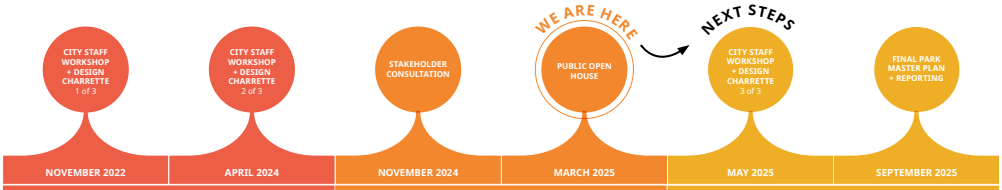

LANSDOWNE PARKS MASTER PLAN

We want to hear from you! Link to the online survey via **Lets Talk Richmond**

Thank you for your participation and sharing your ideas.

The feedback provided during this engagement process will be incorporated into a Lansdowne parks and open space master plan which will be presented to Council for consideration.

Once adopted by Council, the Lansdowne parks and open space master plan will guide the future phased detailed design and implementation of these pivotal parks and open spaces.

PHASE 1

- Background research and site analysis.
- Development of draft guiding principles.
- Community and stakeholder consultation.
- Development of final guiding principles.
- Report to Council on Guiding Principles and Next Steps – **The Guiding Principles were adopted by Council on May 8, 2023.**

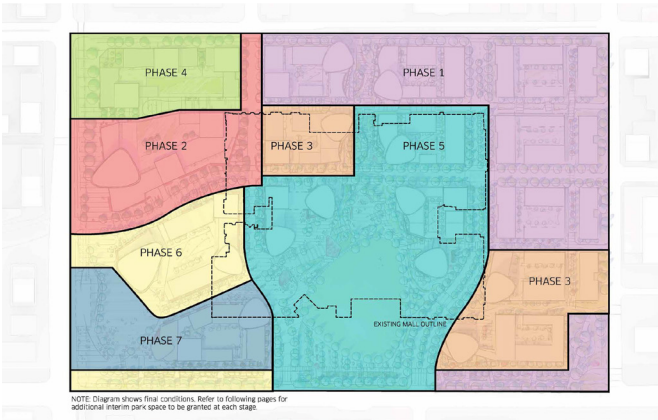

PHASE 2

- Identification of potential park program and amenity opportunities.
- Community and stakeholder engagement.
- Development of Lansdowne parks and open space master plan options.
- Community and stakeholder engagement –**WE ARE HERE.**

PHASE 3

- Identification of a preferred Lansdowne park and open space master plan.
- Refinement of the preferred master plan, based on community input.
- Development of a final Lansdowne Parks and Open Space Master Plan.
- Report to Council on the Lansdowne Parks and Open Space Master Plan, Process and Next Steps – **Target: September 2025.**

Implementation Phasing

NOTE: Diagram shows final conditions. Refer to following pages for additional interim park space to be granted at each stage.

The Lansdowne parks and open spaces will be implemented as the property redevelops in multiple phases over the coming years.

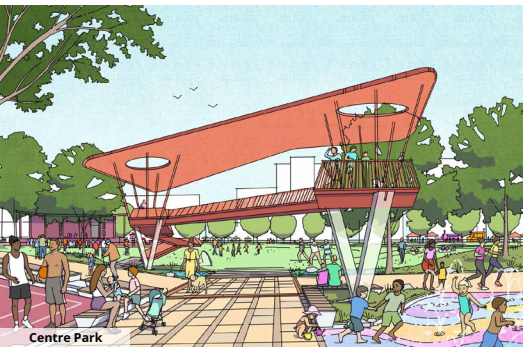

This phasing was established as part of the OCP/CCAP amendment process.
