East Richmond Agricultural Water Supply Study

PROJECT OVERVIEW

The City of Richmond is updating the East Richmond Agricultural Water Supply Study that intends to:

- Identify changes in land use and crop types
- Incorporate recent climate data
- Incorporate recent irrigation and drainage system upgrades
- Record irrigation and drainage needs
- Identify potential areas of improvement for irrigation and drainage system upgrades
- Look forward to the 2041 horizon for land use and development

WE WANT TO HEAR FROM YOU...
